

Lenten Women's Day of Reflection

"Women Walking with Christ in the Passion Mystery"

Sr. Yolanda Cruz, SSMN
Presenter

Join us as we reflect on the events of the Passion, as witnessed by the women in the company of Jesus. Their lives were transformed by their encounter with Jesus. Some are known to us by name: Mary of Magdala, Mary the mother of James and Joseph, Salome, and of course Mary his mother. Some are anonymous: the daughters of Jerusalem who weep for Jesus on his way to the cross. Come join us and encounter Jesus in a new and profound way that may have a transforming effect in your own life.
